Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 13 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and occasional showers today, isolated thunderstorms in west.

Today:
Early mist soon dispersing to leave another bright day with sunny spells. Scattered showers again developing later in the morning with a few heavier showers in the afternoon, especially in the west with the chance of the odd thunderstorm. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers, locally thundery, gradually dying out this evening. Then the rest of the night will be largely dry, although thicker cloud may bring the odd shower to the east later. Minimum temperature 6 deg C (43 deg F).

Friday:
Some brightness at times along with a few showers, some of these heavy and thundery in the afternoon across central and western areas. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Mostly cloudy on Saturday with some showery rain. Brighter on Sunday and Monday with scattered showers.
